

Explore the world of RNA

Join us in exploring the exciting world of RNA using next-generation sequencing (NGS), qPCR, microarrays, and much more

During this event, you'll learn about the latest products, tips, and resources to help maximize your success in gene expression profiling, pathway analysis, detection of fusions, microRNA analysis, and biomarker discovery.

At the event, pick up a free copy of our RNA techniques and applications poster.

To register for this event, go to thermofisher.com/eventregistration. Space is limited, sign up on the website or by contacting **Nycole Plough** at Plough_Nycole@Allergan.com

If you have any questions, please contact:

Irene Trovato

Sales Representative, BioSciences
Life Sciences Products (*Invitrogen, Applied Biosystems, GIBCO, etc.*)
Thermo Fisher Scientific
