

Join us for a cell imaging and western detection event

The best of both worlds for protein detection

Meet your sales representative, learn how to confirm protein expression, and more. Demonstrations will be provided for one or more of the following Invitrogen™ products:

- EVOS™ Cell Imaging Systems
- Countess™ II and II FL Automated Cell Counters
- iBlot™ 2 Gel Transfer Device
- iBind™ Flex Western Device

Event details

Date: Friday, May 27, 2016
