

# Join us for a Technical Seminar

## Practical Considerations in Live Cell Imaging & Cell Engineering: New CRISPR Tools

Friday, September 18, 2015

**Institution:** Case Western University

**Room:** WRB 6136

**Location:** Case Western Wolstein Research Building

**Time:** 10:30 a.m.–2:30 p.m.

*Lunch will be served*

### Agenda

10:30 a.m.: Practical Considerations in Live Cell Imaging  
*Presented by George Hanson*

12:00 p.m.–1:00 p.m.: Lunch for attendees

1:00 p.m.: Cell Engineering: New CRISPR Tools and Engineered Cell Models  
*Presented by Abby Sukman*
