

# Supply Center presents the PCR workflow

## A PCR event not to be missed

Please join us for a special event, "Supply Center presents the PCR workflow," at University of Kentucky. Meet your representative, check out the Applied Biosystems™ SimpliAmp™ Thermal Cycler, and don't miss your chance to test a sample of our new Invitrogen™ SuperScript™ IV Reverse Transcriptases or Invitrogen™ Platinum™ Hot Start PCR 2X Master Mixes. Limited quantities of samples available.

**Friday, October 15, 2015**

Time: 12:00 p.m.–2:00 p.m.

Location: Gluck Supply Center

To register for this event, visit [thermofisher.com/eventregistration](http://thermofisher.com/eventregistration)

To find out more about your Supply Center, request PCR enzymes and reagents additions, or find out more about Thermo Fisher Scientific products and services, contact:
